

Electrification Checklist

GET STARTED

- Complete the electrification census [\[link\]](#)
- Homeowners, learn what rebates you're eligible for [\[link\]](#)
- Renters, ask your landlord about electrification and review the renter checklist [\[link\]](#)

ADVOCATE

- Ask Ojai City Council to pass electric all-ordinances for buildings and cars [\[link\]](#)
- Ask Ventura County Supervisors to pass all-electric ordinances for buildings and cars [\[link\]](#)
- Tell your friends and family about Electrify Ojai and ask them to complete this checklist

ELECTRIFY YOUR HOME & CAR

- Replace your gas water heater with an electric heat pump water heater [\[link\]](#)
- Replace your gas heater with an electric heat pump system offering heating + AC [\[link\]](#)
- Replace your gas oven with an induction range [\[link\]](#)
- Replace your clothes dryer with an electric or heat pump dryer [\[link\]](#)
- Replace your gas car with an electric vehicle [\[link\]](#)
- Install solar [\[link\]](#)
- Install batteries for backup power and avoid fossil-fuel generators [\[link\]](#)
- Replace other equipment with electric alternatives (e.g. gardening tools, fireplaces, BBQs, etc.)

MORE YOU CAN DO

- Check out a 3C-REN DIY Home Energy Savings Toolkit from the Ojai Library [\[link\]](#)
- Connect with other local environmental organizations for more climate activism opportunities
- You already receive clean energy from Clean Power Alliance!
